No other matter or circumstance has arisen since 30 June 2015 that has significantly affected, or may significantly affect:

- the consolidated entity's operations in future financial years;
- the results of those operations in future financial years; or
- the consolidated entity's state of affairs in future financial years.

LIKELY DEVELOPMENTS AND EXPECTED RESULTS OF OPERATIONS

The likely developments in the Group's operations in future financial years and the expected results of those operations are set out in section 3.2 of the Operating and Financial Review on page 43.

ENVIRONMENTAL REGULATION

In the majority of the Group's business operations, it does not have responsibility for obtaining environmental licenses. The Group typically

assists its customers, who usually own or operate plant and equipment, with the management of their environmental responsibilities, rather than having those responsibilities itself. However, the Group has environmental responsibilities in terms of compliance with environmental controls and in exercising reasonable care and skill in its design, construction management, operation and supervising activities. The risks associated with environmental issues are managed through the Group's risk management and quality assurance systems.

It is the Group's policy to comply with all environmental regulations applicable to it and to the work it carries out. The Company confirms, for the purposes of section 299(1)(f) of the *Corporations Act 2001* (Act) that it is not aware of any breaches by the Group of any environmental regulations under the laws of the Commonwealth of Australia, or of a State or Territory of Australia.

NON-AUDIT SERVICES

During the financial year, Ernst & Young, the Group's auditor, performed certain other services in addition to its statutory audit duties. Total fees for non-audit services provided by the auditor amounted to \$1,377,362.

The Board has adopted a policy governing the provision of non-audit services by the auditor. The Board has considered the position and, in accordance with the advice received from the Audit and Risk Committee, is satisfied that the provision of the non-audit services is compatible with the general standard of independence for auditors imposed by the Act. The directors are satisfied that the provision of non-audit services by the auditor did not compromise the auditor independence requirements of the Act for the following reasons:

- all non-audit services have been reviewed by the Audit and Risk Committee to ensure they do not impact the integrity and objectivity of the auditor; and
- none of the services undermines the general principles relating to auditor independence as set out in APES 110 Code of Ethics for Professional Accountants, including reviewing and auditing the auditor's own work, acting in a management or decision making capacity for the Group, acting as advocate for the Group or jointly sharing economic risk and rewards.

A copy of the auditor's independence declaration as required under section 307C of the Act is as follows:

Auditor's Independence Declaration to the Directors of WorleyParsons Limited

In relation to our audit of the financial report of WorleyParsons Limited for the financial year ended 30 June 2015, to the best of my knowledge and belief, there have been no contraventions of the auditor independence requirements of the *Corporations Act 2001* or any applicable code of professional conduct.
